Offering

A pair of hands, one slightly larger than the other, are shown from a top-down perspective, cupped together and holding a stack of coins. The coins are of various denominations, including what appear to be US quarters and pennies. The hands are set against a dark, textured background that looks like a piece of fabric or a wall. The lighting is dramatic, coming from the right, casting shadows and highlighting the texture of the hands and the stack of coins. The word "Offering" is written in a large, elegant, cursive script in a light, golden-brown color, positioned above the hands. The overall mood is one of care, generosity, and financial support.
